Dear Parents/ Guardians,

Commemoration of Racial Harmony Day

This year, the theme for Racial Harmony Day (RHD) is "***Singapore: Our Multicultural Mosaic***". This is a testament to how each community, while having the space to express its own identity as part of Singapore society, intertwines with others to create the unique cultural diversity that characterises Singapore life. As we commemorate Racial Harmony Day, we need to remind ourselves not to let racial differences divide us. Instead, we should turn diversity into strength.

We are commemorating Racial Harmony Day on Wednesday, **19 July 2023**. As such, the school has planned activities to create common shared experiences and memories for the students during their foundation years in a primary school. There will be activities during recess for students to learn more about the different cultures in Singapore, play traditional games, and sample traditional snacks. With a better understanding of different cultures, students will appreciate and respect the diversity around us.

As part of the commemoration, we would like to encourage students to come to school in traditional ethnic costumes. Ethnic costumes should be worn with school shoes for students' safety. Students also have the option to come to school in their school uniform.

We thank you for your continual support.
